Parenting Special Interest Research Group

	<p>Parenting SIRG as 41 members from IASSIDD, including 21 members who have chosen Parenting SIRG as their Primary SIRG.</p> <p>With the 'usual and regular' members possible renewal, we could easily have 30 memberships as primary SIRG - which is the minimum to be a recognized SIRG.</p>				<p><i>Marjorie has sent reminder emails to known 'usual and regular' members of Parenting SIRG.</i></p> <p><i>Marjorie will send a reminder email to past 2016 and 2017 members, with the May-June 2018 newsletter.</i></p> <p><i>Marjorie will send an email to executive parenting SIRG members to ask for ideas in relations to membership - to discuss in Athens.</i></p>
<p>Connectedness within our SIRG</p>	<p>A priority has to be to find channels of communication with our members. New members need to be welcomed and introduced to our community. 'old' members need to be reconnected with.</p>	<p><b>Marjorie got a few more emails from new and 'old' members- they will be featured in our next newsletter.</b></p>	<p>Marjorie</p>	<p>August 2018</p>	<p><b>STILL TO BE ORGANISED:</b>  <i>With Iva, we are looking at incorporating those introductions into the updated webpage. We could also 'feature' a member per week on our Facebook page - to ensure everyone is aware of what others in the field are working on - which could facilitate some collaborations in the future.</i></p> <p><i>In Athens, Marjorie will meet with UK and Scottish partners to discuss possibility of organizing a one-day symposia before the World Conference.</i></p>

Parenting Special Interest Research Group

	<p>Before each conference, a message need to be sent to members to stimulate the submission of papers, presentations, workshops, roundtables and symposia.</p> <p>Our membership is especially active in North America, Europe and Australia. Research is very limited to null in regions such as Asia-Pacific and Africa. We need to explore possibilities in those regions.</p> <p>We also need to strengthen connectedness within 'regions' – maybe by giving them tasks team can manage as a region?</p>	<p><b>Marjorie is preparing research interests and possible symposia to send to members and possible partners (see Participation in Conferences and World Congress section)</b></p> <p>To create links with researchers and clinicians in those regions. Ask support from Colleen (president elect)</p> <p><b>Marjorie to send an email to Executive and ask them to brainstorm ideas around more 'regional' ways to create 'SIRG communities'</b></p>	<p>Marjorie</p> <p><b>Margaret</b></p> <p><b>Executive</b></p>	<p>Summer 2018</p> <p>January 2018</p> <p>August 2018</p>	<p><b>New connections with UK partners for Glasgow have been made.
