Each SIRG is also asked to identify members who would be ‘in-charge’ to re-tweet and ‘instagram’ as well. <p>Membership</p>	<p>Mailing list continues to be updated.</p> <p>IASSIDD council has worked on different avenues to increase its membership. These will be shared in the newsletter.</p> <p>Parenting SIRG membership has increased since last review as we were able to remind people to renew. We should have more accurate numbers towards the end of November 2018. Those numbers will be published in the January-February 2019 newsletter.</p> <p>Furthermore, as 2019 is a World Congress year, we can expect an increase in membership.</p> <p>Finally, executive members have been working hard in establishing links with other colleagues. In opening our 'scope' more officially to include colleagues who work on relationships, couplehood, quality of life matters, sexuality, ... we might be in a better position to add to our membership.</p>	<p>Send newsletter to all Executive to reach out to their partners</p>	<p>Marjorie, Margaret, others</p>	<p>January 2019</p>	<p>Mailing list is constantly being updated.</p> <p>Marjorie will send a reminder email to past 2016 and 2017 members, with the May-June AND October 2018 newsletters.</p> <p>Marjorie will send a reminder email to known 'usual and regular' members of Parenting SIRG in November 2018, with the call for proposal for Glasgow</p>
<p>Connectedness within our SIRG</p>	<p>A priority has to be to find channels of communication with our members. New members need to be welcomed and introduced to our community. 'old' members need to be reconnected with.</p> <p>In Athens, Marjorie discussed with Beth Tarleton to discuss possibility of organizing a one-day symposia before the World Conference.</p>		<p>Marjorie,</p>	<p>August 2018</p>	<p>STILL TO BE ORGANISED:</p> <p>How to showcasing our members on our FB page – using content of newsletter? To be discussed with our social media group</p> <p>Follow-ups to be done re: Glasgow</p>

	<p>Before each conference, a message need to be sent to members to stimulate the submission of papers, presentations, workshops, roundtables and symposia. With the October 2018 Newsletter – ideas for symposia will be proposed and links between colleagues suggested in order to plan for Glasgow.</p> <p>Our membership is especially active in North America, Europe and Australia. Research is very limited to null in regions such as Asia-Pacific and Africa. We need to explore possibilities in those regions. Margaret is establishing links in Asia-Pacific. Marjorie was put in contact with a colleague in South Africa by our President-Elect Colleen Adnams. More to follow.</p> <p>We also need to strengthen connectedness within ‘regions’ – maybe by giving them tasks team can manage as a region?</p>	<p>Marjorie has prepared research interests and possible symposia to send to members and possible partners (see Participation in Conferences and World Congress section)</p> <p>To create links with researchers and clinicians in those regions.</p> <p>brainstorm ideas around more ‘regional’ ways to create ‘SIRG communities’</p>	<p>Marjorie</p> <p>Margaret, Marjorie</p> <p>Executive</p>	<p>December 2018</p> <p>January 2019</p> <p>August 2019</p>	<p>To be sent with newsletter.</p> <p>Introduction of new colleagues in January newsletter??
